Once she starts singing, her uneasiness in the beginning disappears
Just moments ago her expression seemed like she had already admitted defeat. I almost thought she was going to quit the competition directly
Dad will beat me up when he's drunk.
My classmates hate me too.....

For his sake I will charge forward and won't be scared of anyone
My favourite guitarist and I——
will have our eyes meet today.

Even if I were to share with everyone
Your brilliant moves and feints!
